

THE
POWDER
ROOM

COCKTAIL
BOOK

*Take a moment to look
through the peephole into another
corner of the world.*

*Ingredients, much like people, have always
travelled. They cross oceans, settle into new
kitchens and become part of traditions far from
where they began. Each cocktail in this menu
traces one of these journeys, celebrating the
cultures, histories and exchanges that
continue to shape the way we eat,
drink and gather.*

Origin

INDIA . MUSA VELUTINA

THROUGH THE PEEPHOLE:

Native to the foothills of the Eastern Himalayas, Musa Velutina is known for its striking pink fruit and ornamental blooms. Long before it found its way into botanical gardens around the world, it thrived across Assam's fertile landscapes, reflecting the extraordinary biodiversity of the region.

Origin

JAPAN . YUZU

THROUGH THE PEEPHOLE:

Originating in China before becoming deeply woven into Japanese culture, yuzu has been treasured for over a thousand years. During the winter solstice, whole fruits are traditionally added to hot baths, a ritual believed to invite health, fortune and renewal for the season ahead.

AROMATIC

1255/-

Origin

PHILIPPINES . MUSCOVADO

THROUGH THE PEEPHOLE:

Muscovado is one of the purest expressions of sugarcane. Produced across the Philippines for generations, it retains the deep molasses character often lost through refinement. Its rich flavour speaks to a tradition of craftsmanship rooted in the country's sugar-growing regions.

In your glass
